Description: You will crochet a snowflake ornament. We have over a hundred patterns to pick from, in various degrees of complexity. We will be starting with a basic snowflake; additional patterns are available for the more adventurous crocheters. If you would prefer to start with something larger, any of the patterns can be crocheted with heavier yarns to create a holiday trivet or a giant snowflake ornament to hang on your door.

Materials List: *(Pattern will be distributed at the first class meeting)*

Yarn: For standard snowflake ornament, you will need Crochet Cotton. One ball will make multiple snowflakes.

If you prefer to crochet a trivet or something else larger, you may use any cotton or wool (or blend).

Needles: Crochet hook size B1. If you are choosing to knit a larger version of the snowflake, you will need needles appropriate for your selected yarn.

Gauge: NA.
